

Some exciting changes have taken place at **KEPCO**. We have moved into our new 25,000 sq.ft. facility located in Vicksburg, Michigan. We are continuing to grow, change, and improve, yet, one fact remains the same.....we are committed to customer service and satisfaction. We offer your business:

- **25,000 SQ./FT. UNDER ONE ROOF TO SERVE YOUR ELECTROPOLISHING AND PASSIVATION NEEDS**
- **LARGE VOLUME, SMALL PARTS SPECIALIST WITH PROCESSING CAPACITY OF OVER 20,000 PARTS PER HOUR**
- **ISO 9001:2008 REGISTERED & ISO-14001 COMPLIANT TO ASSURE CONSISTENT QUALITY AND SAFE ENVIRONMENTAL PRACTICES**
- **THREE TO FIVE WORKING DAY TURNAROUND ON MOST ORDERS**
- **SAMPLES - NO CHARGE**
- **EXCELLENT QUALITY, FAST FRIENDLY SERVICE AND COMPETITIVE PRICES**

We value your business and will continue to grow, change and improve our process to better serve you. If you have a stainless steel finishing question, or an electropolishing or passivation need, give KEPCO a call today! We also offer metal degreasing and cleaning. Please visit our new web site:
